Planning a wedding is a wonderful experience and also a lot of hard work. Wedding planning often presents unexpected stresses and expenses. Our goal at Oceanstone is to eliminate these stresses and make the wedding planning process a positive one! Our facility fee include assistance with planning your event in addition to day-of coordination.

We are happy to provide you with advice and to suggest trusted vendors for items such as photography, flowers and décor, music services, and more.

Let Rebecca, our onsite wedding planner, explore the details and decisions that make your wedding perfectly unforgettable.

The best part of our wedding day was **actually being able to enjoy our wedding** and spend time with our guests instead of worrying about timing and behind the scenes stuff. **The Oceanstone staff kept everything running smoothly.**

**E+C**

The Oceanstone staff went above & beyond what we could have created, so thank you so much for bringing our wedding vision to life and making our dreams come true. Our wedding day was special because we were lucky enough to be surrounded by the people we love, and because **we had a great support team from you.** Thank you for sharing in the start of our new life together.

# the ultimate weekend wedding experience

Turn your wedding day into the weekend of your life.

From bonfires on the beach or secluded bachelor and bachelorette parties to morning brunches and rehearsal dinners it's possible to spend the entire weekend with our talented team at your service.

Find yourself at home with Oceanstone.

# beverage & culinary service

There are many options for beverage and culinary services at Oceanstone. Couples have a tremendous amount of choice and flexibility with selection and billing.

## CULINARY SERVICES

Our Chef and his team offer exceptional menu choices to suit any taste. Our wedding menu includes hot, cold and signature canapes, appetizers, main courses, desserts, and the highly coveted late night snack!

Realizing that each couple is unique, our wedding taste test is a private experience that allows you to explore your own culinary journey and choose the meal that reflects your personal styles.

Catering at Oceanstone is provided exclusively by our in-house team, with capacity to address your specific dietary needs or requirements.

## BEVERAGE SERVICES

We have a comprehensive wine and beverage list. Let the cocktail hour showcase your personality with a signature drink - perhaps a favorite that you enjoy together, or you could each have one that speaks to who you are!

We have the flexibility to offer a host or cash bar for your guests; or a combination of the two. Our wedding coordinator works with each couple to create the perfect food and beverage plan for your special day.

Our licence requires us to close the bar at 1AM.

Such a wonderful wedding...We have had so many compliments from people saying it was the best wedding they have ever been too, which is largely due to the wonderful experience you and everyone else at Oceanstone created for us!"
